

**INTER-DEPARTMENTAL WORKING GROUP FOR ANALYSIS OF THE  
SITUATION AND RECOMMENDATION OF MODALITIES FOR  
INTRODUCTION OF NEW TECHNOLOGIES TO THE ELECTORAL  
PROCESS IN BOSNIA AND HERZEGOVINA**

Number: 04 -02-2-851- 14/16

Sarajevo, March 2, 2017

**PUBLIC CALL**

to political parties, non-governmental organizations, academic community, media and  
the citizens

We hereby invite you to get actively engaged in analysis of the situation and recommendation of modalities for introduction of new technologies to the electoral process in Bosnia and Herzegovina.

Your written suggestions, proposals and ideas on introduction of new technologies to all stages of electoral process: registration in the Central Voters register, voters' identification at the polling station, method of voting, electronic counting and consolidation of results in the Main Centre for Counting by polling station, constituency and in total for the body that is elected, registration of out-of-country voters, live stream of the sessions of the election management bodies, use of social networks, etc. should be sent by registered mail to the BiH Central Election Commission, 7 Danijela Ozme Street, Sarajevo with a note: For Inter-departmental working group for analysis and recommendation of modalities for introduction of new technologies to the electoral process in BiH. **DO NOT OPEN!!!! The deadline for submission is March 24, 2017 until 4 p.m.**

You can also make submission via e-mail: [tatjana.krivokapic@izbori.ba](mailto:tatjana.krivokapic@izbori.ba).

We invite all domestic and foreign companies and individuals who want to present their innovative products – equipment and software – that can be used in electoral process to contact as in order to arrange for a presentation of their products to the members of the Inter-departmental working group.

All additional information can be obtained via e-mail: [tatjana.krivokapic@izbori.ba](mailto:tatjana.krivokapic@izbori.ba).

Chair of the Inter-departmental  
Working Group  
**Dr. Suad Arnautović**
